“Catholic education is an expression of the mission entrusted by Jesus to the Church He founded. Through education the Church seeks to prepare its members to proclaim the Good News and to translate this proclamation into action. Since the Christian vocation is a call to transform oneself and society with God’s help, the educational efforts of the Church must encompass the twin purposes of personal sanctification and social reform in light of Christian values.”

MISSION

Our Lady of Mercy Academy will empower students to grow as informed, inspired compassionate souls.

The vision of Mercy Academy is to foster critical thinkers to go forth and create a just society. We are a Catholic school, welcoming families of all faiths from the greater Keene area, and serving students in grades 9-12. Our faith-based school program promotes high academic standards and positive self-esteem, encourages personal responsibility and public service, and instills a sense of community.

PHILOSOPHY

We believe in Catholic Education that is centered in the Spirit of the Gospel of Jesus Christ, the Lord.

We believe that our heritage in the Keene area gives us a faith-filled view of our school, of life, and of our mission.

We believe that together, the Saint Joseph community of parents, students, and teachers share a common vision---one formed by the message of the Gospel. **We affirm the values of high academic standards, responsibility, service, community, and worship.**

Because of our belief in **high academic standards**, we teach for a mastery of the basic learning skills by challenging students to use and develop their talents to the fullest.

Because of our belief in **responsibility**, we encourage our students to work both independently and cooperatively with others in a respectful manner.

Because of our belief in **service**, we teach our students to be aware of the needs of others and to reach out and help them.

Because of our belief in **community**, we choose to be a people who care for one another and to create a family atmosphere in our school.

Because of our belief in **worship**, we celebrate our personal commitment to Jesus Christ in prayer, in song, in liturgies, in the sacraments and in religious instruction.

Because of our belief in the **gospel message**, we accept the challenge of Catholic Education calling us to a new vision of what our school can be.

Realizing the human need for identity, relatedness and purpose, we strive to form each student into a young adult, responding to those needs by being:

- A Hope-Filled Person
- A Person Who Emulates Christ's Love To All People
- A Whole Person
- A Responsible Person
- An Enthusiastic Person
- A Wise Person

Co-Curricular Eligibility

Co-curricular activities that require considerable time after school or away from school are subject to the following eligibility rule: students must pass ALL courses each quarter in order to participate in those activities for the following quarter. Students in academic jeopardy may be suspended from co-curricular activities including sports participation **at any time** at the discretion of the Administration.

College Transcripts

Requests for transcripts may be made to the Counseling Office. When the transcripts are to be sent out with college applications, the applications should be in to the Counseling Office two (2) weeks prior to the college's deadline. There is no fee for sending transcripts of current students. There is a fee of \$5 for alumni requesting transcripts after graduation.

College Visits

Juniors and seniors are encouraged to visit colleges for tours or interviews on non-school days. If needed, seniors can schedule up to four (4) excused days from school for college interviews, visits or orientations. Juniors are allowed two (2) college visitations in the spring semester. Students must complete a request form and return it to the Counseling Office **at least two (2)**

school days prior to the visit in order for these visits to be excused. Without a completed form, the visit is counted as an unexcused absence and the student may forfeit any remaining visitation days. Students are responsible for classwork and homework missed.

Computers (personal)

OLMA encourages students to use their personal mobile electronic devices (Bring Your Own Device) at school. With teacher approval, students may use devices such as laptops, iPads, tablets and eReaders in the classroom to access and save information from the Internet, collaborate with other learners, and utilize productivity available to them. Cell phones are not allowed in the BYOD network.

Contacting School Personnel

Attendance – Contact the Main Office by phone or by email to amurray@mercyacademykeene.org by 8:30am on the day of the absence.

Behavioral issues, co-curricular activities, safety and security of building and grounds – Please contact the classroom teacher or activity advisor for any behavioral concerns in classes or activities. Continued concerns, or questions regarding attendance or building safety can be directed to the Principal.

Classroom/Academic issues – Contact the classroom teacher first, and then our School Counselor.

Family/social/emotional issues – Contact our School Counselor if your child is experiencing social or emotional issues (personal or family) that might affect their experience during the school day.

Counseling

The goal of the School Counselor is to assist students and parents in a variety of activities that affect educational development. Among these are scheduling of courses, overseeing internships, counseling for future educational and career opportunities, serving as a liaison between school and community groups, making resources available to students and parents to assist in decision-making, and short-term personal counseling and/or referral. The School Counselor adheres to a policy of confidentiality, except when the individual or the OLMA community is at risk. The School Counselor is responsible for assisting students in registering for college admission tests.

Course Failures

A failed course may be made up by repeating the course, completing an approved online course, tutoring by a teacher approved by the administration, or in some cases, demonstrating proficiency of specific course competencies.

Course Level Changes

Students wishing to change a level in any core course must be recommended by the current teacher. Level Change forms are available in the School Counselor's Office. Level changes are made when they are academically necessary and in the best interest of the student.

All students should be enrolled in challenging but reasonable courses in which they have the ability to succeed. Students in Honors classes must maintain a minimum grade of C or may be moved to lower-level course.

Course Selections

Students should discuss their course selections with their parents, teachers, and the School Counselor. Course selections are completed online each spring.

Credit Requirements

The Program of Studies contains a detailed description of all courses offered. It is important that students consult college catalogues of schools of their choice and plan their course selections according to these requirements if possible. Students are required to complete 28 credits for an OLMA diploma.

Exams

Mid-year and final examinations will be administered. Specific details will be course dependent. Students are required to take their exams on the dates scheduled in the school calendar. **No student is permitted to take an exam outside of the scheduled time without the approval of the School Counselor. Written requests from parents regarding extenuating circumstances must be made to the School Counselor two weeks prior to the exam period.**

Extended Learning Opportunities

Extended Learning Opportunities provide multiple ways for students to learn outside of the classroom and achieve credit towards High School Graduation. These personalized learning opportunities are founded on student interest and need, and are planned in advance, and include rigorous content. They offer authentic opportunities for students to collaborate with a Certified Teacher and/or a community partner to demonstrate competencies outside of a traditional classroom.

ELO's may take many forms, including independent study, private instruction, performing groups, and internships. ELO's are generated by student interest or need. Extended Learning Opportunities include four components: Research Reflection, Product and Presentation. Assessment is based on achievement and demonstration of High School Competencies

Financial Responsibilities

Prior to the school year, all parents signed an Enrollment Contract which indicates that students will not be able to take final exams and final grades will be shown as incomplete until an account is up-to-date or there is a written plan approved and on file with the Principal.

Mercy	2	
Phys Ed	1	
Health	.5

Homework

Homework may take the form of written assignments, reading, reviewing, or studying/preparing for long range tests or projects and is an integral part of the curriculum and essential to the learning process. Homework is assigned at the discretion of the teacher and may be graded or non-graded. Homework is expected to be submitted on the day it is due.

Students cannot work together on homework unless explicit permission is given by the teacher.

Honors/Awards

Students who graduate with a cumulative grade average of 98% or higher will be designated "Summa Cum Laude" (with high honors). Students with a 95.00% to 97% will be designated "Magna Cum Laude" (with great honors). Students with a 92.00% to 94% will be designated "Cum Laude (with honors). Transcripts will show "Candidate for Summa Cum Laude," "Candidate for Magna Cum Laude," or "Candidate for Cum Laude" based on the cumulative and weighted average at the midpoint of their senior year.

Honor Roll

Unweighted grades are used for determining honor roll for each quarter report card.

First Honors 92% and above in all but one subject.

Second Honors 83% and above in all but one subject.

All students must be enrolled in a minimum of six (6) classes in order to be named to the honor roll.

Incompletes

In cases of extended absence excused by the Principal or School Counselor, a quarter or final grade of incomplete may be posted on the report card. All Incompletes must be made up at a time agreed upon with the administration.

Make-up Work

Following an absence from class, the student is required to ask teachers what work was missed. Arrangements to make up work must be done upon the student's return to school. The teacher will determine a reasonable make-up time. Students may be penalized for work not completed on time. **If a student willfully cuts a class or skips school, make-up work may not be allowed.**

When there is a planned absence, the student is required to gather advanced assignments from his/her teachers and to establish a schedule for completing assignments and tests. Since it is not always possible or desirable to provide all of the assignments that will be covered during the time of the absence, some assignments may be required to be completed by the student upon his/her return to school. The parents will submit a letter to the office detailing the date of departure and date of return,

as well as, reason for absence. This request needs to be made at least **five** school days prior to the planned absence.

Students missing a class because of a scheduled school event, field trip or for other excused absences must make arrangements to complete missed work. A student missing work during an unexcused absence must complete work on the day they return. Parents of students missing school due to personal travel, vacations, extended holidays, or family circumstances **MUST** notify the Main Office with specific reasons and dates of absence at least one week **PRIOR to the absence**. Administrators will determine the appropriate makeup period and notify teachers that the student will not be in attendance. Students are encouraged to travel with their books and follow the class work assigned. Any work not completed in the assigned makeup time may be subject to penalties.

Parenting Plans

In the case of divorced or separated parents, parents shall submit to the school an updated parenting plan that sets forth the **decision-making, residential and financial** responsibilities of the parents. In the absence of submission to the school of a parenting plan, court order, or decree to the contrary, both parents will have the opportunity to request academic reports and information pertaining to the school.

Progress Report

Students receive progress reports midway through each quarter as noted on the school calendar. Progress reports include summaries of grades as well as teacher comments and are posted on RenWeb to all parents/guardians.

Records Release

When students or parents request, permission is granted for OLMA to release the student's transcripts, grades, recommendations and other information required by college. In other cases when transcripts are requested, parents will be asked to sign a "Records Release Form" granting OLMA permission to send requested information. Students 18 years of age and older do not need a parental signature and may sign on their own. **Note: sending test scores to the colleges is the responsibility of the student.**

RenWeb Parent Web

RenWeb is a web-based student information system used by Our Lady of Mercy Academy to maintain student data including attendance, grades, and course information, as well as used by parents for ordering lunches. RenWeb accounts should be created and maintained by all families. Information will be provided at the beginning of the school year.

Report Cards

Report cards are posted on RenWeb to parents/guardians at the end of each of the four quarterly marking periods.

Service Requirement

All students are required to complete 15 hours of service each year. Students are required to complete a service form. This community service is a graduation requirement. Project opportunities will be available through Campus Ministry, Mercy Project, and the House system.

Standardized Testing

Students in grade 9 can arrange to take the PSAT 8/9 at their home school which follows the format of the PSAT and SAT test that are continued in grades 10, 11, and 12. The ninth-grade test measures reading, writing and language, and math. Ninth graders may share their results with Kahn Academy for a personalized practice program based on their individual test scores.

Sophomores and juniors should take the PSAT (Preliminary Scholastic Aptitude Test) in the fall of both their sophomore and junior years. This testing should be arranged at the student's home school. Scores from the junior year testing are used to qualify students for the National Merit Scholarship Program. Results and detailed explanations will be made available to students and parents. Individualized SAT review is available through the College Board.

Students should plan to take the SAT and/or ACT at least twice, usually during the spring of the junior year and the fall of the senior year. As part of the NH State testing program all juniors participate in the SAT free of charge. The optional writing portion is strongly recommended and must be paid for by the family. Students are automatically registered for this special test by Mercy Academy and will be given on site. Once students have taken this test, they can again use the online review materials or register for an SAT prep program to prepare for repeating the test, off site, in the fall of the senior year. The exams are given nationally on specific dates chosen by the College Board. Some colleges also require SAT Subject Tests. All subject tests are not available on every test date. Information is available in the Counseling Office or on the College Board website.

The ACT is another type of college entrance exam. This tests students in the areas of English, Math, Reading and Science with an optional Writing Assessment.

Students in grades 11 and 12 should research the testing requirements of the college in which they have interest to assure they meet the expectations and schedule testing at appropriate times. All student-athletes should pay particular attention to dates as there are sometimes conflicts with athletic events.

HONESTY AND BEHAVIORAL EXPECTATIONS

HONESTY

Care and Use of Facilities

Students are expected to use the buildings, furnishings and equipment only for the purposes intended. A student who by his or her action causes damage to school property is obliged to replace that property. Committing or attempting to commit any act of vandalism against school property, including any school owned computer, the property of another school, the property of any member of the faculty, staff or student body, either on or off campus, or any act that affects a person's life, health or property, is considered a very serious offense. Consequences for such an act may include suspension or dismissal.

Cheating

The administration and faculty consider cheating a serious violation of trust. Students violating this trust will be held responsible for their actions. The teacher will notify parents of the incident. It will result in a grade of zero for the activity (tests, quizzes, assignments, etc.) and will be reported to the administration. Further sanctions may be imposed by the administration in accordance with the severity of the incident.

Plagiarism

Plagiarism (the representation of another's words, thoughts, or ideas as one's own) is another form of intellectual dishonesty. A student engaged in writing and utilizing information from sources other than personal experience will appropriately acknowledge the sources. Plagiarism includes the following:

1. Implementing a direct quotation, graph, table etc. without citing the source.
2. Paraphrasing the ideas, interpretation, and expressions of another without giving credit to the source.
3. Failing to acknowledge or document sources.

Students MUST assume that any paper, project, report or presentation should always give credit to the original source. All sources of information should be credited or cited according to the Modern Language Association (MLA) Style Sheet. Students are always encouraged to seek assistance if confused in any way regarding sources and citations.

Student Responsibilities

Every student has the responsibility and obligation to assist in protecting the integrity of the learning process by (1) not participating, either directly or indirectly, in cheating or plagiarism, (2) actively discouraging cheating or

plagiarism by others, and (3) and reporting all instances of which a student has knowledge. A person who knowingly assists another person in cheating or plagiarism is as guilty as the person receiving help.

BEHAVIORAL EXPECTATIONS

At OLMA, it is everyone's responsibility to maintain an atmosphere conducive to learning and to protect the rights of others. This requires a desire to do what is good and morally right and to develop a sense of personal responsibility. Rules help students set limits, regulate where self-discipline fails, and understand consequences of decisions that are contrary to expected behavior. All students are expected to follow the rules during the school day, at any time they are representing the school or while attending a school-related function. Conduct outside of school that disrupts the community of the school, i.e. cyber-bullying, criminal acts, etc. will be addressed. *(see Appendix I-- Diocesan Bullying Policy)*

OLMA supports the purpose and intent of the laws of the state of New Hampshire that pupils have the right to attend schools that are "safe, secure, and peaceful." OLMA is located in a Safe School Zone as designated by the State of New Hampshire. This is an area that includes any and all school property or properties where school events are conducted, as well as school transportation vehicles (busses, vans, etc.). As a Safe School Zone, our response to incidents of misconduct involving school property and school programs may include cooperation with, or direct involvement with local law enforcement agents (see Disciplinary Procedure in this section).

Acceptable Use Policy for Computer Network

The Saint Joseph Regional School computer network is established for the **educational and professional use of Saint Joseph Regional School students, faculty and staff**. The goal in providing this service is to promote educational excellence by facilitating resource sharing, innovation, and communication.

- Users are expected to avoid actions which are illegal, unethical, or against school rules. **Such actions include, but are not limited to:**
- Making false statements about other people – harassment of any kind, direct or **indirect personal attacks**.
- Deliberate access to inappropriate materials – including "adult" materials.
- Sending e-mail or PM (Personal instant messages) **on the school's computers**.
- Damaging the computers, computer system or computer network – including changing the configuration of the computers and the software, or any disruption of the computer system.
- Violating copyright laws – Users should cite information, found electronically, in the **same way they do information found in printed sources**. Saint Joseph Regional School

will not tolerate the use of its system for the illegal copying or storing of illegally acquired **material**.

- Accessing other people’s files – Students may not attempt to gain unauthorized access to **any file, computer or network at Saint Joseph Regional School or through its systems, or go beyond authorized access**. This includes any attempt to log in through **another person’s account, access another person’s files, or take advantage of a user who inadvertently leaves a computer** without logging out.
- Students found in violation of these guidelines will have their network privileges revoked and **may face further disciplinary action**.

Anti-Social Behavior/ Bullying Policy

OLMA is committed to providing an environment free from bullying, harassment, sexual misconduct and hazing. The school will not tolerate, at any time, behavior that is an intentionally written, oral or physical act that can be construed as bullying, cyber-bullying harassment, sexual misconduct or hazing.

Some student behaviors may not rise to the level of bullying, cyberbullying, harassment, sexual misconduct or hazing, but are still inappropriate and require referral to the Administration for corrective discipline and/or counseling to change the behavior and remedy its impact. Some examples of anti-social behavior may include rumors, jokes, innuendos, demeaning comments, cartoon drawings, pranks, gestures, or other intentional actions. **(See Appendix I)**

Cellphones, Related Devices

OLMA’s cell phone policy is guided by the principle of being present. Students are expected to actively engage with their teachers and other students. The school recognizes the convenience, educational, logistical and safety advantages of cellular phones and/or iPods. A student may have these electronic devices at school, but use will be limited to before school, after school, passing periods and during lunch. Use of such devices during class time is prohibited, unless directed by a teacher for legitimate educational purposes. Students will be directed to turn off/silence cell phones at the beginning of class. If cell phones continue to create a distraction during class time, students will be asked to turn them in at the beginning of class. They will be returned at the end of the class period. Continued violation of this rule may result in confiscation of the device and/or other corrective action. The school reserves the right to examine any such confiscated device, and when appropriate, a student may be held accountable for violations of this behavior policy. If a student’s cell phone is confiscated, a parent must pick the phone up from the office. Students are responsible for notifying their parents if their cell phone has been taken.

In general, we encourage parents/guardians to try to limit contact with their student directly on his/her cellular phone or other communication device during the school day.

Co-Curricular Activities

Students that attend or participate in games, meets, plays, concerts or any other school sponsored events or activities must conduct themselves in a respectful manner as described in this student handbook, the *Student Participant/Parent Agreement*. The academic standing and attendance policy apply to all students who represent OLMA co-curricular activities.

Disciplinary Procedure

The school has established a progressive disciplinary process to respond to and resolve various cases of misconduct as expediently and effectively as possible.

Standard procedures require students to power down their phones and have them held by the administration pending completion of an investigation or resolution of an issue. Administrators may issue an oral warning, assign an administrative detention, in-school suspension, probation, and/or suspend or expel the student from school. The school administration can exercise its right to terminate a student's association with the high school or ask a parent to withdraw the student when their attendance is deemed no longer desirable or acceptable for the student or the school.

If a student is involved in a very serious discipline issue requiring action from outside enforcement agencies (police arrest, legal charges of wrongdoing, etc.), or is arrested or charged with an offense that took place off campus, the student may be suspended from school and placed on home study until an outcome for the issue is known. A student may be expelled from the school.

Most disciplinary actions involve minor rule or conduct violations during the school day. These actions are determined by assessing the current situation and any previous, related issues. Disciplinary actions range from warnings, counseling, conferences, parent meetings, teacher detentions, administrative detentions, probation, suspensions (internal or external), to expulsion. A student is fully responsible for his/her behavior, and fulfilling any disciplinary action he or she may receive as a consequence for misconduct.

Social probation is assigned to restrict a student's involvement in school activities due to specific misconduct or misbehaviors. These activities include, but are not limited to, activity periods and lunch. The student assigned social probation will in most cases spend activity period and/or lunch in the detention room.

Loss of Senior Privileges

Senior privileges may be withdrawn by the Administration or by a parent. Reasons may include general misconduct by a group of students, a pattern of misbehavior on the part of a senior, a serious offense committed by a student or poor academic performance. Participation in end of year activities (prom, senior trip, bacalaureate, senior dinner, and graduation) are privileges that can be revoked for poor behavioral choices.

Disciplinary Probation

Students may be placed on Disciplinary Probation for all or part of a school year at the discretion of the administration. Students may be prohibited from attending OLMA events either on or off- campus; they cannot be on school grounds once the school day ends unless approved to work with a teacher; and they cannot participate in athletic or co-curricular activities.

Class Suspensions – When a teacher determines that a student is disrupting the classroom environment to the extent that students can't learn, and teachers can't teach, the student will be sent to the main office for the remainder of the period. The student(s) will meet with the Principal, who may assign further disciplinary action including limitation of athletic and co-curricular activities.

In-School Suspensions involve moving a student from the general population to a location in the building where interaction with teachers and work completion is possible. On the day of suspension, students cannot be on OLMA property or attend OLMA functions after school hours. A student suspended on a Friday may participate on activities or events on Saturday or Sunday. If the Friday suspension is for multiple days and continues the following Monday, weekend school activities are prohibited. A suspended student is responsible for all class material and assignments. The administration will set a reasonable time frame for makeup work.

Out-of-School Suspensions are given for serious disciplinary infractions. Students cannot be on OLMA property or attend OLMA functions while suspended. In the event a student is suspended on a Friday for multiple days, this sanction applies to all weekend activities and events. A suspended student is responsible for all class material and assignments. Reasonable arrangements will be made to send work home and collect work completed. The administration will set a reasonable time frame for makeup work. Students and parents will attend a re-entry meeting with the Principal upon return.

Electronic Devices for Learning

OLMA affirms the educational use of electronic devices to promote learning and increase computer literacy. Students may use electronic devices such as laptops, notebooks, and tablets (not CELL PHONES) with the following restrictions:

- Students may use electronic devices in the classroom with the **permission of the teacher**.
- Under no circumstance may a student use technology while taking an assessment unless approved by the teacher.
- Students may use electronic devices **for educational, not social or recreational use** during lunch, study halls, and in the library.
- **At no time** is a student allowed to wear headphones with an approved electronic device, unless approved by a teacher for educational purposes.

Stealing/Vandalism

Personal and school property are to be treated with care and respect. It is reasonable to expect that our personal belongings will be secure on the school premises as well as at off-site venues for school events. The community also expects students to show respect for the school's property, such as buildings, windows, vans, etc. Violators face disciplinary action up to and including expulsion from school.

Tobacco, Drug, and Alcohol Policy

Please see *Appendix II*.

Weapons

Per NH RSA 193-D, OLMA maintains a zero-tolerance for possession of knives, pistols, rifles, pellet or BB guns, paintball guns, and any other dangerous weapon. Specifically, RSA 193-D:1e defines possession of a firearm or other dangerous weapon as unlawful in a school or on school property. A student may be expelled from school if found in violation of the policy.

SAFE SCHOOLS ACT REQUIREMENT: In accordance with RSA 193-D:4, the principal must immediately report to local law enforcement any acts of theft, destruction, or violence (including, but not limited to, criminal mischief, assault, possession of a weapon, and illegal sale or possession of a controlled drug) on school property. In the event the alleged victim of the theft, destruction, or violence is a student, the principal shall also notify the student's parent or guardian of the alleged act and that a report was made to law enforcement.

GENERAL INFORMATION

Accidents

If a student is injured during school hours, the accident must be reported immediately to the Dean of Students and parents will be contacted. If parents cannot be reached, the school will use the emergency information names and phone numbers provided by the parents. A student accident form will be completed.

Advising

In the moments when students need to talk about academic, personal, or social matters, or college plans and career questions, the faculty is ready to help. Students and faculty have opportunities for valuable conversations in multiple areas of the building. Most students find a particular faculty member with whom they feel comfortable and to whom they can turn in confidence. The School Counselor, administrators and the Campus Minister are always available.

Announcements

Daily announcements are made in the morning and afternoon. Students are responsible for listening attentively and checking with the office if they have questions.

Assemblies

Assemblies are scheduled throughout the school year to promote a variety of enriching experiences. These are considered academic time and all students are expected to attend.

Attendance/Tardy Policy

Please contact the Main Office by phone or by email to amurray@mercyacademykeene.org by 8:30am on the day of the absence.

Students are expected to arrive at Our Lady of Mercy Academy by 8:10am, which is the warning bell for the start of first block. A student is considered tardy when they are not in their first block by 8:15am. If your student is going to be late for school, please send an email or place a phone call to Allison Murray, amurray@mercyacademykeene.org, with a valid reason by 8:15am. When you do this, students will be marked as Tardy Excused. Without an explanation for the late arrival, students will be marked Tardy Unexcused and any quizzes or tests they miss may result in a grade of zero (0). Habitual tardiness will be dealt with on an individual basis.

OLMA requires all students enrolled at the school, including students eighteen (18) years or older, to attend classes each day that school is in session. Regular attendance is essential to

academic process, to achieving the maximum benefit from the education programs, and to preparing students for success beyond high school.

When there is a planned absence, the student is required to gather advanced assignments from his/her teachers and to establish a schedule for completing assignments and tests. Since it is not always possible or desirable to provide all of the assignments that will be covered during the time of the absence, some assignments may be required to be completed by the student upon his/her return to school. The parents will submit a letter to the office detailing the date of departure and date of return, as well as, reason for absence. This request needs to be made at least **five (5)** school days prior to the planned absence.

Campus Ministry

Campus Ministry provides faith experiences including daily prayer, liturgies and retreats, outside speakers, and service opportunities that express our Catholic Identity. The Campus Minister will also make students aware of the programs offered through the Diocesan Office of Youth Ministry. Although it is the prime responsibility of the Campus Minister to foster a caring community, all members of the community participate. The Campus Minister also works with the School Counselor to assist students with personal and family issues.

Change of Address/ Telephone

The Main Office must have current contact information for parents or guardians. This includes address, home and cell phone numbers, email and emergency contact information. **This information must be updated at the start of every school year on the online form sent through RenWeb. The emergency NOTIFY number is derived from this information. Parents must notify the school immediately when any information changes.**

Chapel

The Adoration Chapel is available to students and others for quiet prayer and reflection. Class prayer services and reflective activities are held in the chapel throughout the year.

Clubs and Organizations

Students are encouraged to participate actively in clubs and organizations. Students who wish to form a new club or organization should contact the House Advisor.

Dress Code

Since the educational process is a formal endeavor, Our Lady of Mercy Academy has a student dress code. This dress code supports the attitude of respect we have for one another. Cleanliness, neatness, sensibility, reasonable modesty, and safety (in the case of shoes) guide the principles of the dress code.

Students may wear dress or casual pants, as well as denim jeans. No pants may be ripped, torn or frayed. Blouses, casual/dress shirts and plain t-shirts are acceptable. Any clothing with graphic designs, slogans, prominent logos, including sports logos, or messaging of any type will not be permitted. All shirts must have sleeves; no spaghetti straps or tank tops. Skirts, dresses and shorts must be no shorter than 4 inches above the knee. Hair must be clean and worn out of the student's face. Shoes must have a back; no flip flops or slides. Heels must not be excessively high.

Emergencies

If an emergency were to occur at OLMA or an emergency involving an off-property incident that may affect the health and welfare of our students and staff, parents have certain responsibilities in their response to such a situation. Following these guidelines will assure that our local first responders (police, fire, medical) can easily travel to and access OLMA in an emergency, and will assist in ease of communication between first responders, school personnel, and parents/guardians. Failure to follow these guidelines jeopardizes the safety of students and staff.

Parents will be notified via the RenWeb emergency communication system of any urgent or emergency situations via voice message, email or text. **It is imperative that parents/guardians provide the school with any changes to contact telephone numbers.** After receiving any communication from OLMA regarding such matters, please do not contact or respond to the school or designated off-site location unless directed to do so.

In the event that students are evacuated to an off-site location, you will be notified as to when and where you may pick-up students. You may be asked to provide photo identification to take custody of a student, so please make sure you are prepared. **Only authorized emergency contacts listed in our database will be allowed to take custody of a student.** Please follow directions from the onsite personnel to assist in an efficient release of the students.

One of the safest places for a child to be is in school. Although major incidents are rare, please know that the faculty and staff conduct drills and are prepared to respond to such an event. With your cooperation, we can maximize the protection of all members of the community.

Field Trips

Field trips may be scheduled during school hours by teachers. A general permission for field trips in Cheshire County is **acknowledged by parents through through an online form** at the beginning of the school year. Notification of these trips will be sent home. A separate permission form will be sent home and must be signed by parents for trips outside the local area.

School authorized field trips are excused absences from class. Students are responsible for notifying teachers of courses they may be missing before the field trip and are responsible for making up missed work in a reasonable time period.

Fire Drills and Procedures

Students should be thoroughly familiar exit routes from each classroom.

- Upon hearing the alarm, all students and staff are to evacuate the building immediately.
- Students should move quietly, quickly and orderly (no running).
- Students should move away from the building and immediately go to his/her assigned area for attendance.
- Students do not re-enter the building until the air horn is heard or until verbal permission is given by an Administrator.

Fire drills are held periodically throughout the year in accordance with the fire code for the City of Keene. Anyone causing a false alarm will be prosecuted. Anyone misusing a fire box or fire extinguisher including pushing a person against it, opening the case and/or handling it will be disciplined and may be prosecuted. Students who witness any such instances are requested to report the incident to an administrator.

Food and Beverages

Food and Beverage should be consumed in the LGIA. Reusable water bottles filled with water only are permitted in classrooms.

House System

At its most basic, a House System is a way to divide students into smaller communities within our school. More importantly, the houses will create opportunities to build character, relationships, school spirit and engage in public service.

When students enter Our Lady of Mercy Academy, they will be assigned to one of two houses: Ursula or Aquinas. Students will remain in the same house for all four years. Each house will be a mix of grades 9-12. As student enrollment increases two more houses will be added, Saint Drogo and Saint Catherine.

Each house will have a house color, emblem/logo and Latin motto that is representative of its patron saint.

Each house is led by a House Advisor from the faculty and a Head of House elected by students.

Houses compete for house points throughout the year in an effort to win three house cups at the end of the year. These include: highest cumulative GPA and attendance, service hours and fundraising for charities that promote Catholic values, and friendly extracurricular competitions, school club membership and athletics.

The House System is overseen by the School Counselor, but planning and execution of the system is carried out by the Head of House and their cabinet.

Houses will meet once a week during lunch to address/plan school related activities.

Library

OLMA students regardless of their town of residence are eligible to obtain Keene Public Library cards and utilize the library. Applications will be distributed to students at the beginning of the school year.

Lockers

Each student is provided with an academic locker. The school retains ownership of all lockers. The school does not accept any responsibility for items missing or stolen from lockers. Students are to immediately report to the Principal any locker that is not functioning. OLMA administrators have the right to enter any locker when the action is deemed appropriate and necessary.

Lost and Found

Any items found should be turned into the Main Office. Any questions regarding lost or found articles should be directed to the Main Office. Unclaimed items will be disposed at the end of each semester.

Mass

Mass and other religious functions are celebrated periodically throughout the year. We attend Mass each Friday and on other church holy days. Mass is a special community celebration and all students are required to be present and to conduct themselves in a respectful manner.

Medical Procedures

All incoming freshmen and new students are required by the State of New Hampshire to provide a current physical health form and immunization record to the school. Failure to provide any of these documents will preclude the student from attending school until documents are complete and given to the office.

Prescription Medication - All prescription medication must be kept in the Main Office, appropriately identified, and taken by the student in that office. No student is allowed to take medicine unless a physician's note and a parent's note are provided. Inhalants are a prescribed drug and must be checked through the Main Office. Students who need to carry inhalers must have a physician's prescription on file at the school. No student should ever share an inhaler.

Over-the-Counter Medication may **not** be carried by students. Ibuprofen and Tylenol are available in the Main Office and may be distributed to students if a parent has signed a release form.

Illness at School - A student who is sick or becomes ill while at school is required to report to the Main Office. Students may remain in the Main Office or for one class period only. If a

student is unable to return to class, a parent will be contacted and the student sent home. In the case of a medical emergency, a designated member of the staff will be responsible for getting the student to the proper medical facility, and the office will notify the parents.

Parent and visitors to campus should park in the spaces designated with OLMA signage in the back of the building.

Permission to Publish

As part of the educational program at OLMA, students may have the opportunity to publish documents and participate in projects on the school website, yearbook, and in other media. Student generated work may include stories, articles, poems, art work, projects, photography, video casts and other media. This is an opportunity for OLMA to highlight our students and for our students to showcase their work in a variety of forums.

School administrators shall have reasonable suspicion to suspect that a student(s) is involved in a violation of school rules or state law before conducting a search, and for searches of a student's person, the school administrator shall have a higher degree of suspicion that the student is in possession of alcohol, drugs, weapons, illegal or prohibited matter, or stolen goods, and that such property is likely to be found on the student's person. The items confiscated in such a search may be turned over to the police, which may result in prosecution.

School Counselor and Campus Ministry

The School Counselor and the Campus Minister provide guidance and personal support for both students and faculty. Parents are also welcome to contact the School Counselor or Campus Ministry offices if they have concerns for their children. Confidentiality is honored unless a safety issue exists.

School Cancellations

OLMA closely follows the annual school calendar of SAU #29, Keene School District, with limited variations. This calendar is available by the end of May of the previous school year.

APPENDICES

APPENDIX I – Diocesan Bullying Policy

As Catholics, we believe that everyone is created by God and loved by God. As followers of Jesus, we are called to value other people’s dignity and to treat them with respect just as Jesus did. Bullying of any kind goes against our call to be like Jesus and it is never acceptable.

Our Lady of Mercy Academy is committed to providing all students with a safe school environment in which all members of its community are treated with respect. The School believes that protecting against and addressing bullying is critical for creating and maintaining a safe, secure and positive school climate and culture; supporting academic achievement; increasing school engagement; respecting the rights of others; and upholding our Christian values.

The Principal or Principal’s designee is responsible for ensuring that the Anti-Bullying Policy is implemented.

1. Definitions

Bullying means a single, significant incident or a pattern of incidents involving a written, verbal, or electronic communication, or a physical act or gesture, or any combination thereof, directed at another pupil which:

- Physically harms a student or damages the student’s property; or
- Causes emotional distress to a student; or
- Interferes with a student’s educational opportunities; or
- Creates a hostile environment; or
- Substantially disrupts the orderly operation of the school.

Cyber bullying means bullying conduct (as defined above) that is undertaken through the use of electronic devices. Electronic devices include, but are not limited to, telephones, cellular phones, computers, pagers, electronic mail, instant messaging, text messaging, electronic readers, videogames, and websites.

2. Statements of Prohibition

Bullying and cyber bullying shall not be tolerated and are hereby prohibited.

OLMA reserves the right to address all forms of prohibited conduct and, if necessary, impose discipline for such misconduct that occurs on or is delivered to school property or a school-sponsored event on or off school property; or occurs off of school property or outside of a school-sponsored activity or event, if the conduct interferes with a pupil’s educational

opportunities or substantially disrupts the orderly operations of the school or school-sponsored activity or event.

False Reporting – A student found to have knowingly made a false accusation of bullying may face disciplinary or remedial action within the discretion of the principal or principal’s designee.

Retaliation – Retaliation or false accusations against a victim, witness, or anyone else who in good faith provides information about an act of suspected bullying or cyber bullying is prohibited. Any student found to have engaged in retaliation against those described above shall be subject to disciplinary action.

If an alleged victim or any eye witness expresses to the principal or other staff member that he/she is fearful of retaliation, the principal or principal’s designee shall develop a plan to protect that student from possible retaliation.

3. Reporting Incidents of Bullying

Note: The identity of the reporter will be protected unless otherwise required by State or Federal law.

a. Reporting During School Hours

Reporting by Students-

Any student who believes that he/she has been the victim of bullying should report the act immediately to a teacher or to any other school employee.

Any student who has knowledge of or observes bullying of another student is encouraged to report the bullying to a teacher or to any other school employee. If a student is unsure whether an incident learned of or observed may constitute bullying, the incident should be discussed with a teacher or another school employee.

Reporting by Parents/Guardians and School Volunteers-

Any parent, guardian, or school volunteer who suspects, has witnessed, received a report of, or has information that a student may have been subjected to bullying is encouraged to promptly report such incident to a teacher, a school employee, or the Principal.

Reporting by School Employees-

Any teacher, staff member, or school employee who suspects, has witnessed, received a report of, or has reliable information that a student has been subjected to bullying or suspected bullying as defined above shall promptly report such incident to the Principal or Principal’s designee.

b. Reporting Outside of School Hours

The Diocese will make available a phone number to be used by those who wish to report suspected incidents of bullying outside of school hours. Reports made by this method will be recorded and forwarded to the appropriate school the following business day. Reporters will be encouraged to provide their names, but anonymous reports will be accepted.

4. Response to Reports

Investigation

The Principal or Principal’s designee shall promptly (within 2 business days) initiate an investigation into any report of bullying or suspected bullying.

Initial Notice to Parent/guardian

The Principal or Principal’s designee shall promptly (within 2 business days) notify the parents/guardians of the reported victim of bullying and the parents/guardians of the reported perpetrator of bullying of the incident. Such notification may be made orally or in writing. A waiver of this notification may be granted by the Superintendent of Schools if such a waiver is deemed to be in the best interest of the victim or perpetrator.

Timeline for Investigation

The investigation will be concluded within 5 business days. An extension may be granted by the Superintendent of Schools if necessary.

Notification to Parent/Guardian Upon Completion of Investigation

Upon the conclusion of the investigation, the Principal or Principal’s designee shall promptly report the findings of the investigation to the parents/guardians of the reported victim of bullying and the parents/guardians of the reported perpetrator of bullying. Such notifications may be made orally or in writing. The notification must comply with school policy and rules of confidentiality.

Written Record

A written record of any substantiated act of bullying shall be maintained by the school.

5. Disciplinary Action for Substantiated Bullying

If an investigation concludes that a student has engaged in bullying conduct prohibited by this policy, the principal or principal’s designee shall determine the consequences on a case-by-case basis. Bullying behavior can take many forms. Accordingly, there is no single appropriate response to substantiated acts of bullying.

When acts of bullying are identified early and/or when such acts do not reasonably require a severe disciplinary response in the judgment of the principal or designee, students should be counseled as to the definition of bullying, its prohibition, and their duty to avoid any conduct that could be considered bullying.

While bullying as defined above will generally warrant disciplinary action against the student responsible for the bullying, whether and to what extent disciplinary action is required is a matter for the discretion of the principal or designee. The goal is for the child responsible for the bullying to receive redemption, learn, and refrain from bullying others in the future. Any disciplinary or remedial action shall be designed to correct the problem behavior, prevent future occurrences of such behavior, protect the victim, provide support and assistance to the victim and perpetrator, and prevent the likelihood of retaliation.

Nothing in this policy prevents the school from taking disciplinary action against a student for conduct that does not meet the definition of bullying or cyber bullying but nevertheless is inappropriate for the school.

6. Notification

Handbooks OLMA will provide notice of this Policy to students, staff, parents/guardians, and volunteers via student and employee handbooks.

Training

Students shall participate in education programs which set forth expectations for student behavior and emphasize an understanding of bullying, the school's prohibition of such conduct, and the reasons why the conduct is destructive, unacceptable, and shall lead to discipline.

Parents - Periodically, the Principal or Principal's designee shall provide parents/guardians with information about bullying.
